CHÂTEAU GANDOY PERRINAT 1281

Bordeaux Supérieur

ORIGIN - TERROIR

Château Gando Perrinat was formerly a modestly sized domaine covering just twenty hectares. It has been entirely renovated and fitted with state of the art winemaking facilities. The château now covers over a hundred hectares of vines planted in clay-limestone soils.

The name of this wine relates back to the history of Sauveterre de Guyenne, the commune in which the château is situated. This imposing bastide in the Entre-Deux-Mers region was founded in 1281 by Edward 1 Plantagenet, King of England and the Duke of Aquitaine, to provide protection for his subjects who were at the mercy of looters. The town has had a difficult history over the centuries and has survived the Hundred Year War, the French Revolution and the two World Wars.
