

ROSÉ ON ICE

Vin de France

ORIGIN

You'll be pleasantly surprised by this frosted rosé with its attractively fresh and delicious character lifted by a hint of sweetness! Serve very chilled with a few ice cubes. The perfect partner for an apéritif or to bring a touch of originality to your summer dishes.

VINIFICATION

Traditional vinification with direct pressing and low-temperature fermentation to preserve aromatic potential and freshness.

GRAPE VARIETY

100% grenache

TASTING NOTES

Colour : clear pale pink.

Nose : fresh and intense

This fine, soft and succulent wine with expressive aromas of red fruit and citrus is lovely and light on the palate

FOOD & WINE PAIRING

A fine yet easy-to-drink light wine, Rosé On Ice, will be the perfect companion for sunny aperitifs and will pair wonderfully well with summer salads and grilled meats. Serve with ice cubes or even over crushed ice!
